

CONFERENCES & EVENTS

TAKE TO THE WATER AND MAKE YOUR EVENT UNIQUELY MEMORABLE

Spirit of Cairns is a 26-metre luxury sailing catamaran that will wow your guests, and has everything you need for an event, conference, incentive group or partner program.

The vessel has two alfresco decks and large picture windows for guests to take in stunning views of the harbour and Cairns City Skyline. It's air conditioned throughout, and the boardroom features state of the art audiovisual equipment, including 55-inch presentation screens. Whether it's a daytime, sunset or evening charter, we can comfortably accommodate up to 120 people for a stand up function and up to 80 guests for a seated event.

Spirit of Cairns is located at Marlin Marina, close to the Cairns Convention Centre and within easy walking distance of the CBD and Cairns City accommodation.

The cruise and crew are standard charter inclusions (views are complimentary!) with options for on board catering for breakfasts, brunches and lunches, buffet and set menus and canapés. Our fully stocked bar offers a huge selection of beverages and cocktails, and live entertainment can also be arranged for your function.

FOOD & DRINK

Our on board chefs use the finest local seafood and produce to create a range of menu options, from full seafood buffets for seated functions to grazing stations, finely-crafted high teas and an array of canapé options.

ADD AN EXPERIENCE

Spirit of Cairns is part of the wider Entrada Travel Group providing you access to a seamless range of on water activities within Cairns and Port Douglas.

A guided snorkel or introductory dive experience is an easy way to explore the colour and diverse marine life of the reef - the region's must-do travel experience.
